**AGREED CONSENT ORDER FOR
PRELIMINARY INJUNCTIVE RELIEF**

Plaintiffs Square D Company ("Square D") and Schneider Electric, S.A. ("Schneider") (collectively "Plaintiffs" and defendants Electronic Solutions, Inc. and ESI of Central Florida, Inc. (incorrectly sued as Electronic Solutions, Inc.) (hereinafter collectively ("ESI")) and William Ambros agree to entry of the following consent order for preliminary injunctive relief:

1. On January 22, 2008, Square D filed its Motion for Preliminary Injunction seeking, among other relief, an order enjoining Defendants from directly or indirectly selling, transferring, destroying or otherwise disposing of any electrical products in its possession that bear the trademarks SCHNEIDER ELECTRIC®, SQUARE D®, TELEMECANIQUE® or MERLIN GERIN® (hereinafter the "Trademarks") until such time as Plaintiffs have inspected Defendants' inventory for the presence of counterfeit products.

2. The parties acknowledge and agree that service of the complaint and summons on Electronic Solutions, Inc. is also valid as to ESI of Central Florida, Inc., that ESI of Central Florida, Inc. is and shall be a named defendant in this action, and that ESI of Central Florida, Inc. is bound by the terms of this order.

Exhibit A

3. This Court has subject matter jurisdiction over this matter because it raises a federal question pursuant to 28 U.S.C. § 1331. This Court also has personal jurisdiction over the defendants.

4. Defendant Ambros as well as Defendant ESI, its officers, agents, servants, employees and those persons acting in concert with them are enjoined from selling, transferring or otherwise disposing of any electrical products that bear the Trademarks in their possession, custody or control from February 8, 2008 through the conclusion of the inspection of Defendant's physical inventory which shall conclude no later than February 29, 2008. These dates may be adjusted by agreement of the parties.

5. By the close of business on February 14, 2008, Defendants will provide Plaintiffs with an inventory list identifying all electrical products bearing the Trademarks in their possession, custody and control.

6. Prior to the inspection, but following Defendants' provision of the inventory list pursuant to paragraph 4, above, Plaintiffs will disclose to Defendants how Plaintiffs will visually inspect the electrical products inventory for the presence of counterfeit products and will disclose during the inspection the basis for any determinations it makes that counterfeit products are present. The location of the inspection shall be the ESI of Central Florida, Inc. warehouse facility in Plant City, Florida, at a location in that facility to be determined by Defendants.

7. Upon completion of the inspection, Plaintiffs will withdraw their motion for preliminary injunction, but the terms of this order shall remain in full force and effect.

8. Defendants are preliminarily enjoined from selling and will preserve as evidence any and all electrical products identified by Plaintiffs as counterfeit during the inspection.

9. Defendants will preserve as evidence all documents in their possession, custody and control relating to the purchase and sale of electrical products bearing the Trademarks.

10. Defendants' time to answer or otherwise plead in response to Plaintiffs' Verified Complaint is enlarged to fourteen days after Plaintiffs report the results of the inspection, or February 29, 2008, whichever is later.

Chris,

Thank you for clarifying the time frame. My client will be available at his warehouse on April 30th from noon until 4:00 p.m. for the inspection.

Please confirm that you will execute a confidentiality agreement restricting the use of the information obtained to this litigation only.

Mr. Ambros will continue to agree to the terms of the preliminary injunction order, which enjoins him from selling any products bearing the Square D, Schneider Electric, Telemecanique and/or Merlin Gerin marks. He will make any purchase records (hard copies and/or electronic records) available for the inspection.

Subject: RE: Square D. et. al. v. ESI, et. al.

Liza,

I won't really know how long the inspection will take until we get down there and see what's there. We are planning on getting to ESI about 12, conducting the inspection, and leaving no later than 4 p.m. The 4/30 date was one of the dates your client proposed, which is why we selected it.

Please also confirm that your client will agree to the terms of the preliminary injunction consent decree. Specifically, that he will cease and desist from offering to sell or selling any products bearing the Square D, Schneider Electric, Telemecanique and/or Merlin Gerin marks. Also, please confirm that he will make available and refrain from destroying all records of purchases and sales since January 1, 2006, as well as all computer or electronic records. Please note that this request covers ESI, ESI of Central Florida, Inc., pushbuttonsdirect, Source Automation, and any other companies that Mr. Ambros has owned or operated since January 1, 2006.

EASTERN DIVISION

SQUARE D COMPANY and SCHNEIDER
ELECTRIC, S.A.,

Plaintiffs,

v.

ELECTRONIC SOLUTIONS, INC., and
WILLIAM AMBROS,

Defendants.

CASE NO.: 07 C 6294

Judge James B. Moran

AFFIDAVIT OF CHRISTOPHER T. SHEEAN

I, Christopher T. Sheean, being duly sworn on oath, depose and state in support of Plaintiffs Motion to Open Discovery, Compel Production of Purchase and Sale Records and Award Sanctions:

1. I am a partner at Wildman, Harrold, Allen & Dixon LLP, and have been retained to represent the Plaintiffs in this action. I have personal knowledge of the matters contained in this affidavit..

2. In conjunction with our representation of Plaintiffs in this action, I traveled to Plant City, Florida on April 30, 2008 to conduct an inspection of defendants' inventory bearing the trademarks Square D®, Scheider Electric®, Telemecanique®, or Merlin Gerin®.

3. My travel costs for this trip were \$537.40. My expense report for the trip is attached hereto as Exhibit 1.

4. I spent 18.2 hours total time in preparing for the inspection, conducting the inspection, communicating with my client regarding the findings of the inspection, and preparing the instant motion. My billable rate is \$475, a rate that is consistent with a litigation partner of

comparable experience in Chicago, Illinois. The total amount for my fees for the inspection and the instant motion total \$8,645.00.

5. Mr. Jeff Miller of Schneider Electric traveled from Raleigh, N.C. and joined me for the inspection, based on his knowledge and experience with Telemecanique® Contactors. Mr. Miller's travel expenses were \$310.04. (See the May 14, 2008 email from Mr. Miller, attached as Exhibit 2).

6. Mr. James Renie also traveled from Raleigh, N.C. and accompanied me on the inspection, based on his knowledge and experience with circuit breakers and sensors. Mr. Renie's travel expenses for the inspection were \$320.45. (See the May 14, 2008 email from Mr. Renie detailing his expenses, attached as Exhibit 3).

7. I retained Verasys LLC to assist in the imaging and analysis of electronic records on the computers of Defendants. Mr. Jesus Peña of Verasys traveled from Miami, FL and accompanied me on the inspection. The fees and expenses for Verasys were \$2,271.50. (An invoice from Verasys for the work is attached as Exhibit 4).

Further affiant sayeth not. I affirm, under the penalties for perjury, that the foregoing representations are true.

Chris,

Mine was \$298.04, but add \$12.00 to that for a airline reporting charge so the total is \$310.04.
